Community Action Partnership of San Bernardino County (CAPSBC) has diligently met the challenges of working to eliminate the scourge of poverty in San Bernardino County for over 40 years.

CAPSBC is a private non-profit benefit public corporation and is the designated Community Action Agency for San Bernardino County. CAPSBC is one of the 1,000 Community Action Agencies nationwide dedicated to assisting low-income individuals and families become stable and self-reliant.

The mission of CAPSBC is “Working in partnership with the San Bernardino County communities to support low-income residents in achieving self-sufficiency.” To achieve this, CAPSBC administers various programs and services to the low-income population. CAPSBC operates under a variety of government and private funding sources. The primary grant is the Federal Community Services Block Grant (CSBG), which is administered through the State Department of Community Services and Development.

CAPSBC Programs and Services

Creating and providing programs that address the most immediate needs of San Bernardino County's most economically-challenged residents has been CAPSBC's goal since its inception.

All residents who meet certain requirements established by the Federal Government's poverty guidelines are encouraged to apply for services offered under CAPSBC programs. Certain programs are designated for specific target groups such as single women with children and homeless families.

The following programs provide the county's low-income residents with a variety of support mechanisms:

- ***Family Development Program*** - Provides emergency services to needy families and individuals to include: rental assistance, motel vouchers, food vouchers, bus passes, information and referral, and others. Coordinates events for children such as summer camp and annual children's Christmas parties. Operates transitional housing program for homeless families, providing holistic case management and supportive services.
- ***Inland Empire Individual Development Accounts (IEIDA)*** - A matched savings program that allows low-income workers to save earnings towards acquisition of assets—a home, a small business or post secondary education, as a way out of poverty.
- ***Energy, Education, and Environmental Services***- Provides weatherization and energy conservation assistance to eligible low-income residents, provides appliance repair and replacement, processes applications for utility assistance through the Home Energy Assistance Program (HEAP), including wood and propane. Provides environmental services for lead-based paint hazardous conditions in homes.
- ***Food Bank*** - Provides food for low-income residents throughout San Bernardino County through government surplus commodity distributions and salvage food agencies through a network of approximately 170 non-profit and charitable organizations and congregate feeding agencies (soup kitchens).
- ***Homeless Coalition*** – A partnership of individuals and organizations both public and private collaborating expertise and sharing resources to help the homeless in San Bernardino County.

FAMILY DEVELOPMENT PROGRAM

PURPOSE

The Family Development Program (FDP) provides an integrated range of services to address emergency needs and crisis situations, and also to improve the quality of life for low-income clients. The program focuses on developing partnerships and successful outcomes in the areas of education, employment and vocational training to promote long-term success for clients.

TRANSITIONAL HOUSING

FDP operates a 12-month transitional housing program for homeless families who are seeking to redirect their lives from dependency to self-sufficiency. Through this project, a new level of opportunity exists for homeless families to pursue careers, education and job training in a stable living environment. A Family Development Specialist (or case manager) monitors and tracks client development; assists with emergency resources; and helps to identify viable job training and permanent housing options for clients. Clients must sign a one-year lease and case management contract upon entry to the program.

ASSET BUILDING

Inland Empire Individual Development Accounts (IEIDA) – A matched savings program that allows low-income workers to save earnings towards acquisition of assets – a home, a small business or post secondary education, as a way out of poverty

EMERGENCY ASSISTANCE

The CAPSBC Family Development Program provides emergency assistance to individuals and families meeting eligibility criteria, who are experiencing unexpected crisis situations. Assistance is provided in the areas of food, shelter, rental, transportation, and miscellaneous areas. All services require justification of the emergency, along with written documentation that the client has made an honest effort to contact other sources such as the County's Transitional Assistance Department (TAD). Food vouchers are issued based upon emergency need and family size. Note: This assistance is *not* provided to supplement monthly food stamps. Shelter is available through motel vouchers, for an average of seven days for eligible clients who have identified a permanent housing solution after the seven days. Clients must be in critical need of shelter or experiencing an emergency situation. Shelter assistance can be accessed only once every 24 months. Rental Assistance is for eligible clients facing eviction i.e. 30 days late on rent with an eviction notice or three-day pay or quit notice. Rental assistance towards a new move-in cost is available. Security deposits and credit checks are NOT available services. Rental assistance can be accessed only once every 24 months. Transportation assistance in the form of bus passes or gasoline vouchers is also available for eligible clients. All services require the following documentation:

- Must be a resident of San Bernardino County.
- Proof of income (documentation provided must be within the last 30 days).
- Social Security cards for everyone in the household.
- Picture I.D.
- Must have documentation of the emergency.

CAPSBC CHILDREN'S PROGRAMS

SUMMER CAMP

Each year the Family Development Program, in conjunction with the Los Angeles Times, sponsors camperships for low-income and homeless children between the ages of 7 and 13 who have never attended camp. The camp is located in the San Bernardino Mountains, where the children enjoy one week of fun activities such as swimming, hiking, fishing, and crafts. Parents must meet the income guidelines required by the Los Angeles Times Summer Camp Fund for their children to qualify. CAPSBC

provides the children's camping needs such as sleeping bags, backpacks, flashlights, and toiletries.

CHRISTMAS CELEBRATION

The Family Development Program sponsors an annual children's Christmas event for homeless and low-income children in San Bernardino County. The celebration is complete with food, entertainment, presents, and a visit from Santa. Two events are sponsored each year – one in the San Bernardino area and one in the High Desert – in order to reach as many low-income children as possible. Volunteers are always welcome and encouraged to participate.

LOCATION/HOURS

The Family Development Program is located at Community Action Partnership of San Bernardino County, 696 South Tippecanoe Avenue, San Bernardino, CA 92415-0610. Carolyn Debevec is the Program Manager and the telephone number is (909) 723-1560. Office hours are 8:00 a.m. to 5:00 p.m. Monday through Friday.

INLAND EMPIRE INDIVIDUAL DEVELOPMENT ACCOUNTS (IEIDA)

PURPOSE

The Community Action Partnership agencies of San Bernardino and Riverside have joined forces to develop and implement the Inland Empire Individual Development Accounts (IEIDA) program, a high impact program that assists low-income residents in our respective counties to acquire personal economic assets and reduce poverty. Individual Development Accounts are dedicated savings that allow low-income workers to save earnings and acquire assets as a way out of poverty. IEIDA requires participants to deposit a minimum of \$20 a month into a secured savings account, in order to work toward the purchase of a productive asset-- a home, a small business or post-secondary education. Program participants' savings deposits will be matched 2:1 in order to make purchasing one of these assets a realistic goal for low and moderate-income families of San Bernardino County who are willing to save regularly for 1 1/2 to 2 years.

PROGRAM ELIGIBILITY

The IEIDA program has been designed to augment programs that already exist within San Bernardino County. All low-income households with earned income are eligible:

- Temporary Assistance to Needy Families (TANF) recipients
- Households whose adjusted gross income qualifies them for the Earned Income Tax Credit (EITC)
- Households, whose annual income does not exceed 200 per cent of the OMB poverty threshold.

In addition, all program participants take part in a six part personal finance and money management workshop series designed to help them find the money for regular savings deposits and prepare for asset ownership. This personal finance workshop series is presented with assistance from community partners. The telephone number is (909) 723-1570. The contact person is Charles James.

FOOD BANK

PURPOSE

To reduce the level of hunger and improve the nutritional value of the diets of the County's low-income population. The goal of the program is to distribute about 300,000 pounds of food to approximately 12,000 households monthly with USDA (provided by the Federal government) and salvaged-(donated by private organizations) food commodities through a network of 90 sites.

SERVICES AVAILABLE

The CAPSBC Food Bank provides this service throughout the county on an ongoing basis. There are also special lines for disabled persons. The facility is able to store and donate food to various nonprofit sub-agencies to help those in need.

USDA commodities distribution is also provided to approximately 20 congregate feeding agencies (soup kitchens) countywide, serving a minimum of 38,000 meals per month.

Eligibility requirements include proof of residency, and the total amount of household income must be within Temporary Emergency Food Assistance Program income parameters — which is currently 150 percent of the Federal poverty level.

There is, however, no special requirement for those who want to eat at the congregate feeding agencies. It is presumed all participants are hungry.

CAPSBC's Food Bank also serves walk-in clients for emergency food Mon-Fri 9:00 a.m.-11:30 a.m.

HOURS/LOCATION

The CAPSBC Food Bank located at 678 S. Tippecanoe Ave., San Bernardino, CA 92415. The Food Bank office hours are 8:00 am to 5:00 pm, Monday through Friday. Herman Pena is the Program Manager. The telephone number is (909) 723-1580.

ENERGY, EDUCATION, AND ENVIRONMENTAL SERVICES

PURPOSE

The Community Action Partnership of San Bernardino County's Energy, Education, and Environmental Services provides a number of programs designed to assist qualified low-income households with energy efficient upgrades and conservation measures. San Bernardino homeowners or renters who receive public assistance or those whose income meet income guidelines can qualify for free weatherization services. These services include major installations such as attic insulation, hot water heater blankets, weather-stripping and furnace repair or replacement, to name a few.

Other available services include the Home Energy Assistance Program (HEAP), which processes applications for eligible residents to receive annual utility credits; the lead hazard reduction program, which inspects for lead-based paint in older homes.

These combined efforts of weatherization strategies, as well as educational techniques such as Energy Education Workshops teach clients how to lower utility bills and conserve energy work to make the lives of hundreds of residents more healthful.

HOMELESS COALITION

The CAPSBC Homeless Coalition is a partnership of individuals and organizations (public and private) collaborating expertise and resources to reduce the plight of San Bernardino County's homeless. Established in 1991 for the purpose of developing a countywide system to nurture and strengthen the emergency shelter network system, the Coalition serves to generate viable solutions toward re-integrating homeless persons as contributing members of society.

Since 1997, the Homeless Coalition serves as the countywide consortium for the Annual Associated Application for Homeless Funding from the U.S. Department of Housing and Urban Development (HUD). Those efforts have resulted in over \$40 million in homeless assistance for 20 projects in San Bernardino County. CAPSBC was awarded \$750,477 to implement a Homeless Management Information System to track unduplicated homeless clients, improve the delivery of services across agencies and standardize reporting information to HUD. The Homeless Coalition provides information and referrals, advocacy, and support to homeless individuals and service providers.

The Homeless Coalition is located at Community Action Partnership of San Bernardino County, 696 South Tippecanoe Avenue, San Bernardino, CA 92415-0610.
